Presentation Format:

- Virtual presentations will follow the same schedule as in-person presentations on the day of the conference.
- Presenters will have 12 minutes for their talk, followed by 3 minutes for questions and discussion.

Zoom Access and Setup:

- Each virtual presenter will receive an individual Zoom link via their registered email address. These links are unique and MUST NOT BE shared.
- Presenters are encouraged to log into the Zoom Test Platform before their session to check their audio, video, and presentation settings. This will help to prevent any technical issues during the live session.
- Please log in 30 minutes before your scheduled presentation to allow time for setup and troubleshooting.
